

Maddog Monthly

The Official Newsletter of IPMS Boise October 2004

Greetings Maddogs! I thought I'd try a different look for the front page this month. This charming figure was one of several at the Gathering this year. See what you missed if you didn't go?

This month is our annual charity auction to benefit our local food banks for the coming holiday season. Wayne has been able to procure a large donation of kits for the auction this year, but be sure and bring a few of your own to donate. Remember, it's for a very worthwhile cause. And bring lots of money!

Meeting Minutes September 2004

Wayne began the business meeting at 6:00pm. Bill took over at 6:15pm. Wayne talked about our auction and when would be the best time to have it. It was decided to have it Oct. 16th with no business that night.

The subject of themes was discussed and this is what we came up with. November will be Failures. The following were mentioned for February and May:

- Areas
- Colors
- Kit Bashing
- Record Breakers
- Countries
- Transports
- Small Countries
- Hypothetical
- Science Fiction
- Anything Resin

We then started the show-and-tell.

- Terry Faulk's 1/48 and 1/32 Stealth's.
- John Thirion's Pegaso figures of the 1300's "The Potomic Knights"
- Herb Arnold's Kawasaki 64in. 1/72 by MPM and a 1/144 Sukoi Fitter
- Ian Robertson's KI-15 in 1/48 by Edward.
- Gary Malsonka's M4 early version in Polish 2nd 4th Armour Regiment.
- Howard Carpenter's Polar Lights 65 Dodge Cornet – Revel's anniversary issue 94 Taurus McDonalds stock car and a AMT A La Cart from George Barris fame.
- Brian Geiger brought a 1/48 Academy Egyptian MIG PF by Kyle Williams.

The Meeting adjourned at 7:30. Notes taken by Bill Miller.

Wayne's World

This past Saturday, Mark Oliver and myself had the pleasure of picking up a substantial donation of model kits for our club's use. I have mentioned this in the past, both in my last editorial and at the meeting, and now the kits are here! The reason for our windfall, is that a longtime member of IPMS in other areas has decided to trim his collection and wants some positive reception for these unbuilt models. To be more to the point, we have received approximately 185 kits for our auction, and many will carry over until next year as well.

I want the members of our fine club to realize that many of these models are past production and all are top quality brands, as you will see. I encourage you to bring your extra allowances, milk money, coffee money, beer money and pizza money to this auction since it promises to be our best yet. We have a large number of armor kits and aircraft kits, some extremely rare and all unique and desirable. In other words, dig deep and support a worthwhile cause by purchasing some truly fine models. We have decided, again this year, to support the Salvation Army, since they are experiencing difficult times with donations down.

I want to personally thank Mr. Lee Bosely, who so generously gave of his own collection to this cause. As president, I have decided to grant Mr. Bosely an honorary membership in this club with all the benefits and voting privileges provided. The best way we can all show our appreciation is to buy, buy, buy at the auction.

Finally, as a reminder, this newsletter is going out a week early, at my request, so all of you can plan and be in attendance. Because the auction takes an entire meeting, we wanted it in October rather than in November during our "theme" competition. Looking forward to a fun evening on October 16, 2004.

Wayne Keith, President
